Education Week

Thank you to the guests who came along for our Education Week presentation and PE lesson, the children simply love sharing their work with people.

High School Work Experience Student

I’d like to conclude this week by thanking Sarah Roach for spending her time at Hill End Public School this week. Sarah is a Year 10 student from Mudgee High School and has spent the week at the school as a part of work experience. Sarah is interested in becoming a teacher – YAY! Sarah has got in and helped students all week and I am sure she would make a great teacher.

Enjoy the chilly weekend!

Mr G

Sport and Fitness Buzz!

This week we have all been running, jumping and cycling as our fitness and healthy food programs kick into high gear! Students and staff have all been skipping, stepping up and strengthening calf muscles in a fun fitness program every morning, while in the afternoons we have been improving our flexibility through stretches! On Monday, the students were buzzing with excitement as our Bike Education program got underway, while on Wednesday everyone had fun playing ‘Rob the Nest’ and ‘Captain Ball’.

Finally, yesterday our AASC golf program kicked off with fun, learning how to chip shot golf balls. Our aim is to have fun while improving the fitness of everyone at the school – children and adults alike!

Literacy – Writing

This week our student writing has focussed on ‘How We See Things’. The students first draw sketches of objects around the school. They then worked in pairs to group the sketches into different categories such as ‘natural and artificial’, ‘old and new’ and so on. Then the students looked at photos of themselves and came up with positive words to describe their personalities. William described himself as funny, honest and active. Harrison thought he was happy, active and optimistic while Emma thought she was happy, trusting, nice, cheerful, caring, free and in her own words “mum thinks I am cute”. Great feelings to have about yourselves kids! Keep your eyes posted in the newsletter next week for more positive personalities from our students.

Thank you to everyone for their support.
IN CLASS

This week HEPS has been lucky to have Miss Sarah Roach here. Sarah, a Year 10 student from Mudgee High School spent the week with us for work experience. Sarah hopes to become a teacher in the future. We wish her well with her future studies.

NAIDOC EXCURSION

We had a wonderful time at Sofala PS on Tuesday. Students participated in face painting, dreamtime stories, art, dance and playtime activities with Sofala PS and Wattle Flat PS students. Sofala PS provided a wonderful, healthy lunch which was enjoyed by all. Thanks to Sofala PS for organising the day with Cultural Infusion’s ‘Aboriginal for a Day Program’, Aboriginal Education funding from the Education Department which allowed HEPS students to attend free of charge, Hill End Gold Limited for the use of their van to help with transportation and Bathurst Regional Council for providing an escort through the road works, so we could attend.
On Wednesday, in ‘Little Diggers’ Toby, Beth and Edmund had fun playing with cars on the road mat. They joined the other students at recess for ballgames. After recess it was story time with Mrs Rayner and then out to the playground for some tunnel and captain ball.

**EDUCATION WEEK OPEN AFTERNOON**

On Thursday, we held our Open School afternoon for Education Week. Students and staff enjoyed showing parents and visitors around the school. We started the afternoon with our school song, followed by an assembly conducted by Cloie Davis Year 6.

During the assembly a number of students presented book work to our visitors. This was followed by the presentation of Education Week awards by Mr G. We finished the assembly with our National Anthem. Mr G, then invited our guests out to the playground to join students in a golf lesson. Students were pleased to show of our new golf mats which have been funded by the AASC program. Golf will be one of our sport activities during Term 3. At 3pm, it was time to say goodbye and thankyou to our visitors.

**EDUCATION WEEK AWARDS**

LIBRARY VAN VISIT

The Bathurst Mobile Library Van visited us on Wednesday afternoon. Students were able to borrow 3 books each from the van. Some students, who had returned books on time, received prizes. The next Library Van visit is on the 10th September.
