Bathurst Library Depot during school hours. Library membership isn’t even required to borrow from the depot. We also have a range of resources available to members of the community. Don’t hesitate to drop by if we can help with printing, faxing or free internet computer use.

Students of the Week
I’d really like to congratulate both Grace and Harrison for their awards this week. Grace has worked hard to improve all of her subjects, she is a strong mathematician and I have been truly pleased to see her grow academically both in maths and in her confidence in reading over time.

Harrison always cares about those around him at school. This week, while on playground duty I couldn’t help but notice how he went out of his way to care for some of our younger students. Well done you two!

Enjoy the weekend
Mr G
EXPRESSIVE WRITING

Some beautiful expressive writing by Cloie - Year 6.

1. She saw a shadowy tiger in the dark night. She felt scared, when she heard mysterious noises outside the warm tent. She was scared silly and shaking furiously. She looked out of the safe tent and saw an unimaginable sight!

2. The fog was as thick as cream. Everybody was blinded by the thick, grey smoky clouds. Pale shadows flickered in a grey cape of fog, like they were dancing, trying to lure us in. By the next morning the entire airport was swallowed by the mysterious blinding clouds. It was like giant smoky hands blocking us from the outside world.

LUNCHBOX SCORECARD

This week we have started our lunchbox scorecard. Students receive 5 points for each green food, 1 point for orange and 0 for red.

AWARDS

Senior Student of the Week
Harrison Browne - care of junior students in the playground.

Junior Student of the Week
Grace Browne - Maths and confidence in reading.
On Wednesday, students and the ‘Little Diggers’ had lots of fun listening to stories, playing dress ups and ‘Rob the Nest’ in the playground. After recess, the older students made a presentation of their ‘Family Projects’ to the ‘Little Diggers’. As you can see by the photos they were enthralled, as were staff and parents.

**HSIE PRESENTATION**

William said Toyota instead of cheese!

**GARDENING AND COOKING**

The weather has been so beautiful this week so we planted pea and spinach seeds and transplanted some more of our self sown lettuce greens. In cooking, we made bushman’s beef pies.

**SUPER FUN JUMPS**

*Get super fit and have fun*

You will need two mats. Start with your feet apart and your back straight you might get hurt if you don’t do it properly. Use your arms and legs to powerfully jump high into the air. Lift your knees as high as possible. Go really fast, stay light on your tippy toes during all landings. Jinja Year 4

**ART**

**William said Toyota instead of cheese!**
Dear George,

I received your letter yesterday and I was very pleased to hear that your leg has improved! Thank you very much for the lovely book you sent me for my birthday. I enjoyed reading it. If you haven’t read it, you can have a lend of it at any time. Congratulations for winning that cup, George! I read about it in the paper.

The weather yesterday and today was beautiful and sunny. I hope it keeps like it.

The yearly exams will soon be around again. Worry luck! I suppose you will soon be doing yours too.

Well George, I had better close and do some homework now.

Your fond friend,

Elizabeth Goodwin. 2nd. Year.

1 MINUTES SILENCE

On Thursday, we stopped for 1 minute silence to remember the people who died on flight MH17. Many were children and families on holiday. Our flag flew at half mast all day and we thought about their families and friends.
